Federal Disaster Loans for  
Homeowners, Renters and Businesses of All Sizes

## ***SBA Disaster Assistance for Holly Tornado Victims***

We understand that you may have suffered property damage as a result of the Holly Tornado. The U. S. Small Business Administration (SBA) is offering low interest disaster loans and has established a temporary Disaster Loan Outreach Center to assist you.

SBA representatives are available in Holly to serve you. SBA's disaster loans are the primary source of Federal assistance for owners of disaster-damaged private property.

SBA disaster loans help homeowners, renters, non-farm businesses of all sizes, and private, non-profit organizations fund repair and rebuilding costs and replacement of personal property and/or inventory. We also offer economic injury disaster loans to small businesses that suffered working capital losses as a result of the tornado.

Rental properties may be eligible for business loan assistance. You do not need to wait for your insurance to settle before applying for a disaster loan.
